

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

Already, in my community, seven of the eight radio stations are owned by one out-of-town organization - Clear Channel. This is not serving the community well. This is monopoly pure and simple. This does not serve democracy and this does not serve the republic. This is un-American.
